FORM EIA-815 MONTHLY BULK TERMINAL REPORT

This report is mandatory under 15 U.S.C §772(b). Failure to comply may result in criminal fines, civil penalties and other sanctions as provided by law. For further information concerning sanctions and data protections see the provision on sanctions and the provision concerning the confidentiality of information in the instructions. 18 U.S.C. §1001 makes it a criminal offense for any person knowingly and willingly makes to any Agency or Department of the United States any false, fictitious, or fraudulent statements as to any matter within its jurisdiction.

Includes above ground storage capacity and underground storage capacity.

Report storage capacity annually with monthly report for March.

Includes storage capacity for ethane, propane, normal butane, isobutane, and natural gasoline stored separately or in mixes.

Storage capacity dedicated to propane is a subset of storage capacity for natural gas liquids.

Other includes biofuels and fuels from non-biogenic waste (except fuel ethanol), unfinished oils, aviation gasoline, aviation gasoline blending components, special naphthas, lubricants, wax, and miscellaneous products.
